## Colmille 1500 Commemorations

St. Colmille, also known as St. Columba, is one of Ireland's patron saints, a distinction that he shares with St. Patrick and St. Bridget. St. Colmille was born in Gartan, County Donegal on December 7, 521 A.D. or 520 A.D. There are many sites associated with his life and many more that are dedicated to him. In 545 A.D., St. Colmille founded his first monastery in Derry / Doire Cholm Cille. St. Colmille and twelve monks sailed from Derry to the island of Iona in Scotland in 563 A.D. He died on Iona on June 9, 597 A.D. and his feast day is commemorated on that date every year.

*St. Colmille's Chapel in Gartan is an archaeological monument protected under the National Monuments Acts and will undergo conservation works in 2021.*

Donegal County Council and Derry City & Strabane District Council have projects and events planned to commemorate the 1500th anniversary of the birth of St. Colmille between December 7, 2020 and December 7, 2021.

The programme has been developed based on extensive consultation undertaken for the [Audit of Columban Cultural Heritage](#) by Abarta Heritage and commissioned by Donegal County Council, Derry City & Strabane District Council, Foras na Gaeilge and The Heritage Council as part of the implementation of the County Donegal Heritage Plan.

### The programme includes:

- Appointment of Colmille 1500 Project Manager to coordinate the Colmille 1500 commemorations with support from the North West Development Fund.
- Conservation works to selected Columban archaeological and built heritage sites including St. Colmille's Chapel, Gartan and Kilmacrennan Abbey.
- Launch of a free downloadable Colmille audio heritage guide of Columban heritage sites in County Donegal and the publication of a Colmille colouring book commissioned under the County Donegal Heritage Plan.
- Public Art commission on the N56 between Letterkenny and Kilmacrennan.
- Academic conference at the Magee College campus of Ulster University.

- Major cross-border exhibition and accompanying events programme exploring a variety of themes associated with the saint, his life and legacy in the Tower Museum, Derry (April - September 2021) and Donegal County Museum (September 2021 - February 2022).
- Colmcille Digital Schools' Folklore Project coordinated by the Donegal Library Service and Libraries NI in association with The Nerve Centre. Children from five primary schools in Donegal and five primary schools in Derry will gather folklore about Colmcille on a cross-generational basis. A selection of the stories will be recorded and transformed into an animated story on the life and lore of Colmcille that will culminate in a showcase event in April 2021.
- Production of an educational resource pack for primary schools on the life and legacy of Colmcille commissioned by the Donegal County Archives. The pack (consisting of an illustrated information booklet and worksheets) will be available in both English and Irish and will be distributed to schools in early 2021.
- Cross-border production by An Grianan Theatre of Brian Friel's play 'The Enemy Within'. Set on the island of Iona in the autumn of 587 A.D., the play examines a period in the life of St. Colmcille as a man having worked in his ministry for many years and settled in his monastery in Iona, is still subject to the demands of his turbulent family clan in Donegal. The production directed by Caitríona McLaughlin will run for one week in Letterkenny before undertaking a three-week tour of Dublin, Belfast, Sligo, Longford and Derry City in May - June 2021.
