Healthy Ireland at Your Library

The *Healthy Ireland at Your Library* service is available in all 330 public libraries throughout the country.

Healthy Ireland at Your Library provides valuable health information and support to communities and individuals at all life stages.

Public libraries are also organising a host of exciting health and wellbeing events and activities.

All services are free of charge.

Healthy Ireland at Your Library Book Collection

This health and wellbeing book collection has over 100 titles covering the three Healthy Ireland themes – Eat Well, Think Well, Be Well. Each book was specially evaluated nationally to provide individuals and families with reliable, accessible information to manage their general health and wellbeing. The collection includes books for children and young adults as well.

The collection is available to borrow in every local library free of charge.

You can also reserve the books on the national online catalogue.

For more information and to see if there are any additions to the collection, go to www.librariesireland.ie or drop in to your local library.
